True False

30. Family members are in an unique position to keep an individual focused on pursuing the wrong approach to an issue.

True False

31. The reason a business is called a family business is that the owner's family plays a critical role in the success of the business.

True False

32. One of the negative aspects to being the owner of a family business has to do with firing a family member.

True False

33. Established businesses may be hesitant about buying from a start-up small business.

True False

34. A community could have an incubator, which is a facility that houses new businesses and provides many critical services for them.

True False

35. Business incubators work best with small manufacturing-based firms.

True False

36. According to the book, the greatest contribution to a small business owner's success is that they start a business they enjoy.

True False

37. Two triggers for starting a new business are talking to successful entrepreneurs and being laid off from your job.

True False

38. You should start a business doing something you have a passion for because you will spend more time starting and running the business than if you start a business that does not excite you.

True False

### Multiple Choice Questions

39. \_\_\_\_\_ occur(s) in large companies that have excess resources such as equipment and employees.

- A. Unlimited boundaries
- B. Limited boundaries
- C. Organizational slack
- D. Organizational resources

40. A small business has \_\_\_\_\_ formal procedures as compared to a larger firm to operate the company.

- A. many
- B. few
- C. same
- D. proportionate

41. A small business owner plays a \_\_\_\_\_ critical role than the senior leadership of a large company.

- A. more
- B. less
- C. same
- D. proportionate

42. All of these are advantages for a small business EXCEPT:

- A. respond quickly to changes
- B. owned and run by the same person
- C. economies of scale
- D. greater flexibility

43. \_\_\_\_\_ states that individuals make decisions that maximize their own individual benefits.

- A. Individual benefit theory
- B. Organizational benefit theory
- C. Self-fulfilling prophesy
- D. Agency theory

44. A small business owner decides to take a cheaper flight to go to his yearly conference instead of a flight that was at a better time. This decision is a form of \_\_\_\_\_.

- A. agency theory
- B. organizational benefit theory
- C. cost savings ratio
- D. inverse benefits

45. The potential entrepreneur needs to consider \_\_\_\_\_ when starting a new business.

- A. risk tolerance
- B. prior experience
- C. personality orientation
- D. All of these

46. What is the term used to describe a new business that has reached a level where revenue coming into the firm is sufficient to cover expenses?

- A. equal financial ratio
- B. no risk level
- C. risk tolerance
- D. break-even point

47. The greater the debt the business owner is willing to take on, the \_\_\_\_\_ the risk tolerance.

- A. lower
- B. higher
- C. same
- D. inversely proportionate

48. \_\_\_\_\_ is a rational decision-making process that is constrained by our experiences, history, and culture.

- A. Logic rationality
- B. Constrained rationality
- C. Bounded rationality
- D. Unbounded rationality

49. \_\_\_\_\_ lets individuals from outside an industry establish a new business in a way not previously considered.

- A. Logic rationality
- B. Constricted rationality
- C. Unconstricted rationality
- D. Bounded rationality

50. Which of these personality tests is based on the philosophy of Carl Jung?

- A. Insights
- B. Enneagram
- C. Big Five
- D. Myers-Briggs

51. Which personality test indicates the different ways individuals deal with other people and their environments?

- A. Insights
- B. Enneagram
- C. Big Five
- D. Myers-Briggs

52. Which personality test believes that a person is the result of all experiences in his or her life?

- A. Insights
- B. Enneagram
- C. Big Five
- D. Myers-Briggs

53. Which popular personality test assumes there are five components or types of an individual's personality?

- A. Insights
- B. Enneagram
- C. Big Five
- D. Myers-Briggs

54. All of the following are triggers to start a new business EXCEPT:

- A. being laid off
- B. intolerable risk level
- C. very little to lose financially by a failure
- D. experiencing a mid-life crisis

55. Which of the following is NOT a personal motivator to start a business?

- A. proactive positioning
- B. driven
- C. practical advice
- D. defensive positioning

56. Glass ceilings in large corporations involve \_\_\_\_\_.

- A. formal rules
- B. limits to the level of opportunity in the corporate hierarchy
- C. unblocked opportunities
- D. no particular pattern for advancement

57. A small business owner should examine the \_\_\_\_\_ supports before starting a business.

- A. family
- B. social networks
- C. community
- D. all of these

58. In a family business, an owner should choose family members who provide support. The main reason is:

- A. members are related
- B. members give positive/negative comments
- C. don't have to pay them as much
- D. family member slack

59. All of these are negatives for an owner in a family business EXCEPT:

- A. firing a family member
- B. reprimanding a family member
- C. promoting a family member
- D. all of these

60. Established businesses are often \_\_\_\_\_ to buy from a start-up small business.

- A. quick
- B. hesitant
- C. sure
- D. proportionate certain

61. Some communities offer facilities that house new businesses and provide resources for them. These are called \_\_\_\_\_.

- A. small business resource centers
- B. temporary business agencies
- C. holding facilities
- D. incubators

62. Incubators for small businesses include all of the following EXCEPT:

- A. space
- B. financial loans
- C. legal expertise
- D. common receptionist

63. Business incubators work best with which of the following type of firms?

- A. manufacturing
- B. retail
- C. service
- D. accounting

64. The Small Business Administration has set up which of these to advise individuals wanting to start a new business?

- A. Service Corps of Retired Executives
- B. Small Business Assistance Centers
- C. Minority Enterprise Development Program
- D. Community Incubator Program

65. When should a new business owner ensure there are sufficient financial resources to operate the business?

- A. prior to the start
- B. opening day
- C. first payroll
- D. after six-month review

66. According to the book, the greatest contributor to an owner's success is \_\_\_\_\_.

- A. the owner doing something they enjoy
- B. opportunities not available in large company
- C. spending less time at work
- D. no risk involved

67. A prospective small business owner wants a career doing what he enjoys most—sports. He might be drawn to try an entrepreneurial venture in order to realize:

- A. personal fulfillment
- B. substantial long-term profits
- C. freedom from control of a managerial hierarchy
- D. a sense of self-esteem as a result of building his own business

68. A small business owner can make decisions quicker than a big business because:

- A. the decision maker is both the owner and the manager of the business
- B. the owner can delegate the decisions to committees
- C. managers in big businesses have less knowledge than a small business owner
- D. all of these

69. According to the book, what is the greatest asset of a small business?

- A. investor
- B. stakeholder
- C. manager
- D. owner

70. The potential entrepreneur needs to consider \_\_\_\_\_ when starting a new business.

- A. prior experience
- B. education
- C. rationality
- D. capital

71. According to the book, which of the following personality tests is most widely used in universities?

- A. Enneagram
- B. Myers-Briggs
- C. Big Five
- D. Both Myers-Briggs and Big Five

72. Which of the following is NOT a personality dimension of the Big Five test?

- A. individualist
- B. extroversion
- C. agreeableness
- D. conscientiousness

73. According to the book, there are three elements of entrepreneurial orientation. Which of the following is NOT one of those elements?

- A. passionate about your product or service
- B. prior experience
- C. personality orientation
- D. risk tolerance

74. Which of the following is NOT a personal motivator to start a business?

- A. being proactive
- B. feeling driven to achieve goals
- C. willing to make career-changing moves
- D. taking a defensive position

75. According to the book, which of the following is an example of circumstance motivators?
- A. Individuals are laid off, are demoted, or are forced to take reduced pay by their prior employer.
  - B. People start their own company because they have a passion for their product or service.
  - C. Women, who are the fastest growing group of small business owners, who want to achieve their dreams.
  - D. People start their own company because they want to be their own boss.
76. In the Philly Pretzel and Dan Dizio case study, Dan Dizio funded his venture with:
- A. an angel investment
  - B. venture Capital
  - C. credit card debt
  - D. small business loan
77. In the Friend's Home Health case study, the three potential entrepreneurs evaluated their personal motivation and risk orientations. They found that:
- A. they were all equally compatible
  - B. Betty and Joan were more compatible as partners than either was with Bob
  - C. Bob and Joan were more compatible as partners than either was with Betty
  - D. none of them were compatible

### Fill in the Blank Questions

78. Organizational \_\_\_\_\_ is excess resources in an organization, typical of large organizations, but not of small businesses.

\_\_\_\_\_

79. \_\_\_\_\_ theory suggests that individuals act to maximize their own individual benefit.

\_\_\_\_\_

80. A person who wants to start a business needs a \_\_\_\_\_ risk tolerance.

\_\_\_\_\_

81. \_\_\_\_\_ is a decision that is constrained by the background and history of the person.

\_\_\_\_\_

82. A(n) \_\_\_\_\_ is a facility that houses new businesses and provides many critical services for them.

\_\_\_\_\_

83. \_\_\_\_\_ is a supposition that assumes individuals act to maximize their own benefit.

\_\_\_\_\_

## Essay Questions
