dentures

Select 

*Explanation:*  
Add - s

Fill-in-the-Blank Question

20. The plural of fungus is \_\_\_\_\_.  
fungi or funguses

*Explanation:*  
Remove -us and add -i or add -es

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

21. The plural of breath is \_\_\_\_\_.  
breaths

*Explanation:*  
Add - s

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

22. The plural of narcotic is \_\_\_\_\_.  
narcotics

*Explanation:*  
Add - s

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

23. The plural of electrocardiogram is \_\_\_\_\_.  
electrocardiograms

*Explanation:*  
Add - s

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

24. The plural of abscess is \_\_\_\_\_.  
abscesses

*Explanation:*  
Add -es

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

25. The plural of reflex is \_\_\_\_\_.  
reflexes

*Explanation:*  
Add -es

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

26. The plural of tremor is \_\_\_\_\_.  
tremors

*Explanation:*  
Add - s

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

27. The plural of glomerulus is \_\_\_\_\_.

glomeruli

*Explanation:*

Remove - us add -i

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

28. The plural of macula is \_\_\_\_\_.

maculas or maculae

*Explanation:*

Add -s or -e to words ending in -a

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

sutures

*Explanation:*

Add - s

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

30. The plural of fossa is \_\_\_\_\_.

fossae

*Explanation:*

Add -e to words ending in -a

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

31. The plural of urethra is \_\_\_\_\_.

urethras or urethrae

*Explanation:*

Add -s or -e to works ending in -a

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

32. The plural of pneumonia is \_\_\_\_\_.

pneumonias

*Explanation:*

Add - s

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

33. The plural of thrombocyte is \_\_\_\_\_.

thrombocytes

*Explanation:*

Add - s

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Bloom's: Application  
 Difficulty: Easy  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

34. The plural of lobotomy is \_\_\_\_\_.  
 lobotomies

*Explanation:*  
 Remove -y and -ies

Select 

Bloom's: Application  
 Difficulty: Intermediate  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

35. The plural of psychosis is \_\_\_\_\_.  
 psychoses

*Explanation:*  
 Change -sis to -ses

Select 

Bloom's: Application  
 Difficulty: Intermediate  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

36. The plural of osteoplasty is \_\_\_\_\_.  
 osteoplasties

*Explanation:*  
 Remove the -y and add -ies

Select 

Bloom's: Application  
 Difficulty: Intermediate  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

37. The plural of neuralgia is \_\_\_\_\_.  
 neuralgias

*Explanation:*  
 Add - s

Select 

Bloom's: Application  
 Difficulty: Easy  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

38. The plural of incisor is \_\_\_\_\_.  
 incisors

*Explanation:*  
 Add - s

Select 

Bloom's: Application  
 Difficulty: Easy  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

39. The plural of decibel is \_\_\_\_\_.  
 decibels

*Explanation:*  
 Add - s

Select 

Bloom's: Application  
 Difficulty: Easy  
 Time Per Question: 1-3 mins  
 Topic: Pluralizing Terms

Fill-in-the-Blank Question

40. The plural of ganglion is \_\_\_\_\_.  
 ganglia

*Explanation:*  
 Remove -on and add -a

Select 

Fill-in-the-Blank Question

Bloom's: Application  
 Difficulty: Intermediate

Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

41. The plural of radix is \_\_\_\_\_.

radices

*Explanation:*  
and add -ces

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

42. The plural of lunula is \_\_\_\_\_.

lunulae

*Explanation:*  
Add -e

Select 

Bloom's: Application  
Difficulty: Intermediate  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

43. The plural of furuncle is \_\_\_\_\_.

furnuncles

*Explanation:*  
Add -s

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

44. The plural of acne is \_\_\_\_\_.

acnes

*Explanation:*  
Add - s

Select 

Bloom's: Application  
Difficulty: Easy  
Time Per Question: 1-3 mins  
Topic: Pluralizing Terms

Fill-in-the-Blank Question

45. The study of disease is \_\_\_\_\_ logy.

Patho

*Explanation:*  
Pathology is the study of disease.

Select 

Bloom's: Knowledge  
Difficulty: Easy  
Time Per Question: 1-3 mins

Fill-in-the-Blank Question

Topic: 5.1 Using Medical Terminology and Its Different Forms
